

Example of email generated by AssessmentsWithoutObjectives.java

You are receiving this email because you created the following assessment in SchoolRunner that has one or more questions that are not aligned to objectives. Because we use a standards-based grading system, currently data in this assessment will not count towards students' final grades.

Name: **Author's Purpose**
Course: **6th Grade ELA**
Date: **2015-11-09**
Number of Results: **61**

In order to edit this assessment and align it to objectives [CLICK HERE](#)

You can watch this [video screencast](#) for a quick demonstration of how to fix an assessment that needs to be aligned to objectives.

Please contact us at data@renewschools.org if you have any questions or believe this email was a mistake.
